FBI Omaha Seeks the Public's Assistance in Identifying Potential Child Victims

The FBI Omaha field office is seeking the public's help in identifying victims of abuse that has occurred within a religious group. The abuse dates back to the 1980s. The group traditionally does not have a name. It is referred to by others outside the group as "2x2", "The Way," "The Truth," and "The Church With No Name". The group is active in Nebraska, the United States and internationally.

If you have information about this ongoing investigation, have been victimized or believe your child or other children may have been victimized by individuals affiliated with this religious group, go to fbi.gov/2x2 or call the FBI Omaha field office at 402-493-8688.

The FBI is legally mandated to identify victims of federal crimes it investigates. Victims may be eligible for certain services, restitution, and rights under federal and state law.
